

In this awesome game of strategy and fate, the Wizard Always Wins... but the question is, WHO is the true Wizard?

Round by exciting round, players jockey for new roles. Each of the seven roles offers different abilities that are useful for leveling up your power. Only the player who is the true Wizard will pull their own gem from the Bag of Fate and claim victory!

Interesting Gameplay Elements

- Strategic actions are determined by Character Tiles each round.
- Character Tiles chosen in the current round being played determine the turn order in the next round.
- Players actually need to be the Wizard in order to win the game!
